İZMİR

With its crucial geographical location, transportation facilities, sound infrastructure and its highly skilled workforce, İzmir is one of the major trade and industry centers of Turkey. İzmir is located in the west part of Turkey and has a surface of 12.012 km
İzmir is the third largest metropolitan of Turkey with a population of nearly 4 million as of 2011.
In the survey of the Brookings Institute, İzmir has taken the fourth place in 200 largest metropolitan economy. In the Institute's study of the list of the fastest-growing metropolitan economies İzmir has left İstanbul and Ankara behind.
In addition to highly developed agricultural industry, the sectors of textile, automotive, tobacco, machinery, iron and steel, petro-chemicals, electrics and electronics, cement, leather, plastics, construction and food production come to the fore. Besides these current developed industries, İzmir has a big potential for many new industries. Among many others are; jewelry, logistics, ecological agriculture, IT and software, fish farming, green-houses, thermal, solar and wind energy, ship building and ship dismantle.
The number of foreign firms have reached 1.682 firms as at 2011. Some of them are Philsa, Hugo Boss, JTI, Delphi, Tüpraş, Akzo Nobel, Rj Reynold, Korean Tobacco, General Motors Company, Coca Cola, Dr. Oetker, HMT Tank Inc., Cummins.
İzmir Alsancak Port, the biggest container port of Turkey, also gives service to cruise tourism for years. About 262 ships and 493.533 passenger have visited İzmir, in 2011. İzmir owns many places and facilities for health tourism. And has the magnificient and beautiful sea shores with blue flag conditions and perfect natural beauties.
Besides industry, İzmir is also the magnet of the Region in terms of tourism, trade and education. İzmir which has been the cradle for many civilizations and the home for invaluable cultural heritages is getting closer to its aim of being the city of fairs and congresses.
While İzmir is a city of agriculture, industry and tourism, it's also a city of fairs and congresses.
The MARBLE International Natural Stone & Technology Fair takes place in the top 3 fair of all around the world and the İzmir International Fair (opens at the end of August every year) are the prides of İzmir. And besides them, other International Fair of İzmir are; IPAF İzmir International Plastic & Packaging Technology Fair, FUTURE FISH EURASIA International Fair for Fish Imports/Exports, Processing, Aquaculture and Fisheries, AGROEXPO EURASIA International Agriculture Greenhouse and Livestock Exhibition, TURKEYBUILD International Construction Fair, 3T İzmir International Metal Working, Mould and Automation Technologies Fair, TRAVEL TURKEY İZMİR Trade Fair & Conference for Tourism. İzmir is a strong candidate of EXPO 2020, with "New routes to a better world / Health for all" theme.

WHY İZMİR?
- Domestic and international airline connections,
- Organized Industrial Zones which has finished utilities with fair prices,
- Most livable and modern city of Turkey,
- Better life condition and app. %20-25 less wages than İstanbul,
- With companies have made investment in 67 different industrial branch, it has been placed just after İstanbul as a big industrial city of Turkey,
- Easy access to any kind of supply needed for investment and production,
- Easy to get the permissions and authorization for investments
- 9 Universities, Development Agency, Well-educated and skilled labor force.
- The Aegean Free Zone, İzmir Free Zone

FUNCTION AND STRUCTURE OF EBSO

Established in 1954, the Aegean Region Chamber of Industry is the first and the only regional chamber and is active in 67 different industrial branches with over 5.616 members.
The Aegean Region Chamber of Industry, since its establishment, has been at the serving to accelerate industrial activities in the region, to extend technical assistance to entrepreneurs who intend to engage in industrial investments, to establish organized industrial zones and thus to serve regional and national economic development.
The Aegean Region Chamber of Industry has the privilege of being the first Chamber in Turkey to receive the Quality Certificate TS-ISO 9001. In 2010 The Aegean Region Chamber of Industry has received the Quality Certificate TS EN ISO 9001:2008, the Certificate TS ISO 10002:2006 and the Certificate ISO 27001:2005
In 1996 The Aegean Region Chamber of Industry received the certificate of International Accreditation.
The mission of the Chamber is to develop solutions and to provide necessary support for the purpose of enhancing the level of national and international competitiveness of the members.
The targeted vision of the Chamber for the year 2023 is to monitor global changes and developments and thus become a primary solution partner of the private sector in their endeavor to achieve global level production and to generate global brand names.
With a steadily increasing number of members, our Chamber has pioneered activities in industrial development in the region; has strengthened the dialogue between governments and industrialists; has presented to the public and the authorities its effective opinions and proposals in a manner helpful to applied economics policies.
The priority missions of our Chamber are:
- To enforce professional ethics and solidarity,
- To spend efforts for the development of industries in line with national interests,
- To engage in research and gather statistical information concerning national industries,
- To collect date, documentation and news about national industries and to share these with its members by means of publications and conferences,
- To prepare capacity reports and other expertise-based reports needed by its members,
- To assess wastages and losses, and to publish investigative reports, to prepare and endorse various necessary legal forms for members engaged in exportation,
- To support and supply all training needs of its members,
- To initiate and support the establishment of new organized industrial zones,
- To collaborate with International Unions of Chambers and National Chambers,
- To initiate and assist the establishment of information hubs and internet organizations.
- To spend efforts to access new market possibilities in order to lend support to the promotion of our members, our province and our region and country.

The decision body of our Chamber is the Assembly. It is composed of 144 members elected from each of 67 different industrial sectors for a four-year period. The Assembly is headed by a Chairman and a Deputy Chairman elected from its own body. It meets every month regularly.
The executive body is consisted of 11 Board of Directors including a Chairman for a four-year period and a Secretary General. It is presided over by a Chairman and two Deputy Chairmen. It meets once a week on a regular basis. In addition to the Professional Committees, both the Assembly and the Board of Directors set up to temporary and permanent specialized commissions of working groups to maintain the effective services of the Chamber.
The Chamber has close relations with the other professional chambers, associations and unions. Our Chamber participates in the elections of "The Union of Chambers and Commodity Exchanges of Turkey" (TOBB), which is the highest union of the chambers in Turkey and cooperates in the activities and services conducted and performed by the Union.
